Reaching For The Arts Scholarship Program

Access to the Arts

The Arvada Center Scholarship Endowment Fund, is committed to providing tuition support for students who want to develop their talents in the arts and humanities. The Arvada Center Scholarship Committee oversees six scholarship funds and awards scholarships ranging from partial to full tuition to students who demonstrate artistic talent, dedication and financial need. The Arvada Center also undertakes financial development of the scholarship program in order to increase funding levels, thereby making quality arts education accessible to all segments of the community including low-income patrons.

A Legacy for the Arts

As our lifestyle has become more hectic yet sedentary, many of us are spectators rather than participants in the arts. Whether seeking self-expression, stress reduction or pure enjoyment, we recognize the importance of the arts and arts education in creating balance and completeness in our lives. If you want to promote arts education and help make it accessible, please consider making a contribution to the Scholarship Endowment Fund.

The Arvada Center Scholarship Committee reviews scholarships applications and awards scholarships four times a year. Scholarship guide-lines and applications are available at the Arvada Center Box Office on online at www.arvadacenter.org. See this form for specific application deadlines. Aspiring students of all ages wishing to develop their talents in the arts and humanities are encouraged to apply. For more information, contact the Arvada Center Box Office at 720-898-7200.
